Mr. Hemedinger stated the errors have been corrected. All we need tonight is your final approval to forward the Comprehensive Plan Update recommendations to the Town Board for their review. Once it is in their hands they can tweak it and schedule a public hearing.

Mr. Bernard said it seemed the Board only accepted a few of their recommendations from the last Comprehensive Plan. The Town Board should take time in reviewing this update plan. We spent a lot of time compiling the survey results and taking the community overall feedback into consideration while developing their recommendations.

Mr. Hulbert, Town Board member stated his appreciation for all of the Board members and Russ Hemedinger is time and effort they put into composing their recommendations. The Town Board will take their recommendations seriously while discussing the updates.

Mr. Hemedinger stated the Town Board accepted most of the residential recommendations from the last Comprehensive Plan.

Mr. Hemedinger opened the meeting up for public comment.

Mr. Barrett from 1 Stever Drive and Daryl Hartzel from 20 Pembroke Dr. commended the Board on the fine job they did.

Mrs. Snyder made a motion to forward the Planning Board's recommendations to the Town Board, seconded by Mr. Bernard.

Roll Call:       Ayes – 4       Nays -0       Absent – 1(Warren)       Abstain- 1 (Boland)

Mr. Boland read all the information. However, since he only attended a few of the meetings he did not feel he should vote.

Mrs. Paddick and Mr. Bernard mentioned being unable to attend the September Planning Board meeting. Mrs. Snyder will assume the Planning Board Chair.

There being no further discussion the Board unanimously agreed to adjourn the meeting at 7:15 p.m.

Respectfully submitted,

Diane Aurelio  
Ordinance Secretary
