Subject: Financing of new Highway Backhoe

Jim,

Good morning!

Derin approached me last week regarding the financing of a new Monroe Tractor Backhoe for the Highway Department.

The purchase price is \$138,500, however, with the trade in of the existing backhoe (\$36,000), the net amount would be \$102,500.

Option 1: Derin proposed pulling from 3 different lines to finance the purchase:

1. Use the \$50,000 that the Board authorized for the 2022 Budget to establish an Equipment Reserve Fund for Highway
2. Use \$27,500 from the DA5130.200 Machinery Equipment line which has a total budget of \$40,000
3. Use \$25,000 from the Highway Drainage budget found in the General Fund budget

Option 2: Derin also mentioned that Monroe Tractor offers a leasing program. The rate for a 5 year lease is currently 3.69%.

Option 3: With the cost of borrowing still being extremely low at this time, I would recommend a third option of a 5 year SIB. I reached out to Tioga State Bank and the Bank of Greene County to get their current rates. TSB offered a rate of 1.78% and BoGC offered a rate of 1.5%.

It was my understanding that the Board wanted to establish the Equipment Reserve fund with the plan of building upon it each year to be utilized when the Highway Fund truly needed the funds and/or borrowing rates were much higher.

Bottom line, I believe that when rates are low you take advantage of it and borrow.

If the Board chooses the first option presented above, then the 2022 Budget would need to be modified to reflect the changes. For options 2 and 3 (leasing or borrowing the full amount), no change would be necessary for the 2022 Budget as the first payment would not be due until 2023.

Please let me know if you have any questions regarding the summary above or need additional information.

MEMORANDUM

TO: Town of Chenango Town Board

FROM: Derin Kraack; Highway Superintendent

cc: Amy MacLeod, Lizanne Tiesi-Korinek, Keegan Coughlin

DATE: March 4, 2022

SUBJECT: Purchase of New Backhoe

The Highway Department's backhoe is overdue for replacement. The backhoe we currently have is a 2013 Case 590SN that was purchased, by bid, in 2013 for \$87,932.00. This was done by bidding. I have not attached that historical documentation but will look for it if it is requested.

I am approaching the board with this request and am providing preliminary documentation for your review and consideration. It is my intent, with the board's approval, to have a resolution drafted for the March 16th, 2022 board meeting. I will submit the required documentation again as well.

I would like to purchase a backhoe through the New York State Office of General Services Procurement Services (NYS OGS) Award PGB-22792. The vendor that I would like to purchase with is CNH Industrial America (PC69383) for a 2022 Case 590SN. The approved dealer for them in our area is Monroe Tractor per the locate a dealer link on their website.

The OGS quoted price is \$138,500.00 less trade-in of the 2013 backhoe for \$36,000.00 for a total purchase price of \$102,500.00.

I have spoken with Julie regarding the financing of this purchase. I believe she did forward an email to the board on this subject.

Thank you for your time and attention and consideration of a new purchase in order to continue the services the Highway Department provides.
